• 003-1101-00	Installation Instructions	1

REQUIRED TOOLS

Phillips Screwdriver
Measuring Tape

GENERAL INFORMATION

Provides a means to mount a paper roll to a Model 95 Exam Table.

INSTALLATION

A. Measure out from table face board 1 3/4" (4.7 cm) and draw a location mark on bottom surface of table top.

B. Position *inside edge* of Paper Roll Holder Bracket on location mark and secure to table with four #8 x 3/4" screws.

C. Install dowel rod.

D. Install paper tear strips, one on each end.
